Shoals Community Schools has chosen Tech Defenders as the vendor of choice to provide protection to school issued Chromebooks given to students. Tech Defenders will protect and repair your student's Chromebook against all accidental damage, mechanical failures, drops, and more!

Available to be purchased by all students, the eduSURANCE protection plan is specifically geared to provide peace of mind for K-12 students who utilize Chromebooks in a 1:1 learning environment. The eduSURANCE protection plan is simply put, the most cost-effective protection plan on the market, and yet still provides industry leading benefits and coverage.

How you ask? Simple, we are in the repair business, not the insurance business.
