About the Community Foundation

The Community Foundation has served Martin County since 1999. We provide a vehicle through which everyone can give back locally and help build a permanent resource for our community. Charitable gifts of all sizes are accepted.

Donors choose which general unrestricted, designated, scholarship or field of interest fund will benefit from their gift. Or, donors may consider establishing a new fund.

All funds are operated in compliance with Internal Revenue Service regulations, including variance authority requirements.

Memorials and Tributes

During times of great joy and great sorrow we look for ways to remember the special people in our lives. The Community Foundation provides an opportunity to honor or preserve the memory of those people while simultaneously supporting charitable needs in Martin County. This is a fitting way to contribute to the future while remembering the past.

Legacy Society
